

EURO 2024

PREDICTOR

WITH YOUR COLLEAGUES,
MEMBERS, OR CUSTOMERS?

[KINGSSCORE.COM](https://www.kingsscore.com)

WHY PREDICT THE EURO 2024 WITH KINGS SCORE?

A EURO Predictor. in Excel, badly functioning free online solutions, jury-rigging your own solution, or EURO 2024 predictor platforms that sell your data to gambling websites. There should be, and is, a better way. With Kings Score:

Connection

A **quickly** set up sports competition and a fun way to **connect participants**.

Easy, on any device

Enter **predictions** with the press of a button **on mobile, tablet, or desktop**

No worries with the King

No need to worry about administration and **no time-consuming keeping score in Excel**

Interaction

A lot of **interaction** with your brand or organization and the **company logo visible all EURO 2024 long**

OTHER PREDICTOR PLAYERS WITH KINGS SCORE

startpeople

"If the Dutch have a chance to win, it makes Start People's orange heart quicken. Thanks to Kings Score, we had a cool fantasy league for the European Championship and the Winter Olympics, with many colleagues and customers participating."

Simone Klapdoor

EURO 2024 PREDICTOR

Of course, the King does all the work. He sends out the invitations and calculates the scores during the European championship. Participants simply predict the round below in a super fit environment. Every round has a winner, and of course there is an overall winner!

ROUNDS WE PLAY

BONUS ROUND

With questions like: Who will be the 2024 European Champion, and who will be the top scorer?

GROUP PHASE

3 ROUNDS

Predicting the final score of 16 matches

KNOCK-OUT PHASE

4 ROUNDS

Includes fun bonus questions during the tournament (Will Depay score in this match, or not?)

Nothing else like it

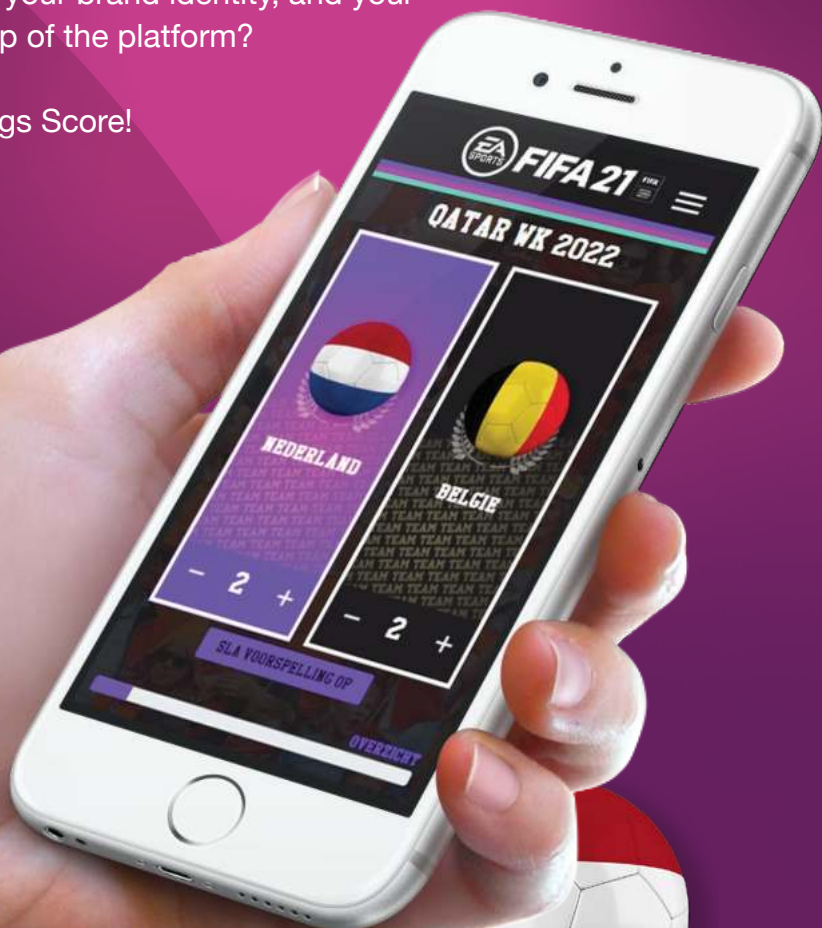

“The questions in between rounds and the round winners make it a unique fantasy league. All participants enjoyed it very much. It was the talk of the entire town, amazing.”

Nick Thijssen

PREDICTOR ENVIRONMENT THAT MATCHES YOUR BRAND IDENTITY

A customizable European championship predictor environment that matches your brand identity, and your logo at the top of the platform?

Only with Kings Score!
